Daylight saving time is the practice of setting the clock forward one hour in the spring to have the sunrise and sunset at a more reasonable hour. The Uniform Time Act established nationwide standards for the observance of daylight saving time when it was signed into law in 1966.

Overheard at the Bowling Alley

Apparently, **Wayne Hutchinson** was feeling sorry for **Lee Kaz** (that's me) and his bowling dis-abilities. He offered Lee a few tips last Tuesday before . **Hutch** said "Bowling Alleys don't have basements, so stop trying to throw your ball down there!"

Anthony Serritella also tried to explain things to Lee saying something about skid, hook and roll. I'm not sure if he was talking about bowling or what was happening in his trousers.

Ascend Wealth Planning team plays a strike game every week. **Jeff Quilici** usually keeps track of the strikes and notifies a bowler by yelling out "Money Ball". Evidently it caught on and when **Mike Breier** was going up to bowl Jeff made him aware and so did the two teams next to us. Everyone was yelling "Money Ball, Mike". Talk about pressure.

Tony Alexander made an observation saying that "The Lefties are all striking." **Randy Samoska** said "What do you mean? When **Mike Seebock** gets a 5 bagger somethings wrong."

Ron Miller threw this one out – "If you're gonna suck, you might as well suck well!"

Terry Conway started to run a Corner Pin game. Buy in is 3 tickets for \$5.00. If your name is drawn you get to throw one ball and you must leave either a 7 pin or a 10 pin not both.

I know what you are thinking, must be easy for this group. Not so much – especially when you are trying to leave it on purpose.

The first contestant threw Tuesday night and did not succeed. The pot rolls over to next week.

Please assist me with my new newsletter idea. I think it would be fun to feature every week an ‘*Overheard at the Bowling Alley*’ and ‘*Overheard at the Tennis Court*’ and ‘*Overheard on the Golf Course*’ piece. Text me @ 708-927-0480 with any and all comments, banter or just plain rude remarks and who said it. **Andy Zilis** or I will edit appropriately.

Treasurer Message

Many of you have not paid your 2024 membership dues yet. It is now more than a month late and has now incurred a \$20 late fee. Please get your dues paid immediately. You can still mail it to my house (8542 S. Kilpatrick, Chicago, IL 60652) or bring it to the bowling alley this coming Tuesday. If you will be attending the St. Pat’s dinner you can bring it there. Whichever option you choose, please do it quickly. If you haven’t noticed the names of the guys on my bowling team, they are Quilici, Guarnieri and Bondi. Add my name to the mix and that’s a lot of names ending in vowels. Believe me when I tell you that we know how to collect. If there is a reason why you can’t pay it immediately or do not plan on continuing your BTC membership, please contact me either by phone or email ASAP. If you don’t pay your dues, you can’t eat Gino Maira’s Corned Beef. That alone has to be worth the \$200.

In [astrology](#), Pisces is the 12th sign of the [zodiac](#), considered as governing the period from about February 19 to about March 20. Its representation as two fish tied together is usually related to the [Greek myth](#) of [Aphrodite](#) and [Eros](#), who jumped into a river to escape the monster [Typhon](#) and changed into fish, or, alternatively, the two fish that carried them to safety.

In [astrology](#), Aries is the first sign of the [zodiac](#), considered as governing the period from about March 21 to about April 19. Its representation as a ram is identified with the Egyptian god [Amon](#) and, in [Greek mythology](#), with the ram with the [golden fleece](#), on the back of which [Phrixus](#), the son of King Athamas, safely fled Thessaly to [Colchis](#), where he sacrificed the ram to [Zeus](#), who placed it in the heavens as the [constellation](#). The ram's golden fleece was recovered by [Jason](#), leader of the [Argonauts](#).

Parting thought:

John F Kennedy and Abraham Lincoln both had 7 letters in their last name.

John F Kennedy had a secretary named Lincoln.

Abraham Lincoln was born in a log cabin.

John F Kennedy once spilled Log Cabin syrup in the back seat of his grandfather's Lincoln.

Coincidence?

I don't think so...

Let's be careful out there.
