

Gentlemen of the BTC,

June 15, 2023

It is with a heavy heart to report that a long time member, **Jack McGuire** passed away last Sunday. Jack moved to Florida about 12 years ago but remained an active member and almost every year came back to play a round or two with the Club. Jack was a terrific golfer and also a very good bowler over the years as well as a great card shark (ask any gin or hold 'em player). He will be missed. There will be a memorial service later in the year. Our thoughts and prayers go out to the McGuire family. His full obituary can be found on Legacy.com web site under the name of John "Jack" McGuire. It contains many of his accomplishments and credentials over his lifetime. We will update everyone when more info becomes known.

I want to thank **Tom Ollenburger and Lee Kaz** for sticking it out to the bitter end with me this week and helping me get the Daily Game money collected and getting all of the scores entered. I really appreciated all of their help. I just happened to be in a foursome with both of them and Kevin Bewley this week. It's always a great time when I can get together with those guys. Plus, it's fun watching Tom hit those low missiles down the center of the fairway. He came just short of driving the green on the par 4 eleventh and birdied that hole after leaving his chip just 3 inches from an Eagle.

We have been blessed with some really nice weather so far this year. This past Tuesday.....Not so much! The rain rolled in about 12:30 and many guys didn't get to finish their round. About 55 guys finished. **Dick Kerkstra** had one hell of a round carding the low gross and net scores (74/64). With the rain cutting many rounds short we only had 37 Daily Game participants this week. We usually have between 60 and 80. Kerkstra's net 64 combined with **Tom Ollenburger's** strong back 9 was enough for them to win the Blind Best Ball in the "A" division. In the "B" division it was **Dan Tomkins and Mo Younus** claiming the top spot.

Next week BTC returns to a track from the past, Cinder Ridge. This will be the second round of matches for the Club Championship. We were able to get many of the 1st round make up matches completed this past week but not all. If you still have a first-round match to make up in either the Club Championship or the 2 Man please contact your opponent(s) and Larry Garetto to get them scheduled right away.

Getting back to the issue of the rain and unfinished rounds. It's perfectly understandable if you don't want to play in the rain. In the future if your group isn't going to finish their round please don't just hop in your car and go home. Stop by the score table and let us know that you are not finishing. Lee, Tom and I were waiting for a couple of the late groups to come in, not knowing that they didn't finish their round. We didn't know for sure if they were still on the course until I grabbed a cart and went for a ride to see that there wasn't anybody left on the golf course.

It seems to have been a good year so far attracting new members. This week we have two more new applicants. **William and Matthew Janda**. William is retired and lives with his wife Judy on Chicago's South Side near St. Bede. Matthew is William's son. He is a pipe fitter and also lives in St. Bede. **Welcome to the Builders Tee Club Matthew and Willy.**

Important AED Information: If you haven't watched the AED video yet, please do so. It describes both the procedure for getting help and what you should do if one of our members has a suspected heart attack on the golf course. The following link will take you directly to the video.

<https://youtube.com/watch?v=7UI4iJlvjGQ&feature=share> Like I said before, I am not a cinematic genius, but the video does have some very valuable information. We are hoping more members would watch the short video so we can watch out for each other in case of emergency. To date, less than 30 members have watched the video. **Please take the time to do so - it may save someone's life or maybe even your own.**

Happy June Birthdays: Don Borus (11), Chuck Febel Jr. (11), Ray Cantelo (13), Mike Paoletti (18), Pete Lambros (20), Lee Kaz (22), John Paliga and Lee Tew (93 years young!). - (27).

Let me know if I missed anyone.

Historian News

Fellow Members,

Today I would like to tell you a little about another long time Member and a fellow Hoosier. **Jeff Quilici** has been in the BTC since 1987. His Sponsors for the Club were Chuck Martino and Brandt Oosterbaan. Jeff was a Member at Olympia C.C. from 1983-2010 and was asked to join the BTC by his Sponsors for his golfing prowess. He has been an active Member to this day for both golf and bowling. He has two aces, one at Olympia Fields and one at Lincolnshire where he was a Member for a few years also. Jeff told me that he came in second in the Two-Man when he and Bill Deming lost in a tight match for the title. In bowling with the BTC his Creco Team has won a few Championships. As for work, Jeff started in pipe valves and fittings in 1971 and in 1984 started Creco which dealt in chemical tanks. In 2017 his business merged with Harrington Plastics, a nationwide company. Jeff retired in 2020 to spend more time with family and friends. Jeff moved from Illinois to Schererville in 1989 and then to St. John Indiana in 1999. He and his wife, Lori, have one daughter, Alex, and a son-in-law, Michael, who were recently married. So now when you run into Jeff on the golf course or at the bowling alley you will know a little more about one of our distinguished Members.

Thanks for listening,

Your Historian,

Bob Vizdal
